Filed: March 29, 2004)
For: "Method and Device for Wiring Connection") Volpe and Koenig, P.C.
Ref.: DEE-PT160)

Hon. Commissioner of Patents and Trademarks
Washington, D.C., 20231

Dear Sir:

The declarer, Dwo Chen, residing at 6F, No. 186, Rueiguang Rd., Neihu Chiu, Taipei, Taiwan, 114, R.O.C. respectfully submits:

- 1) That all the terms "tin-plated" in the specification of the US Patent Application No. 10/812,130 Entitled "Method and Device for Wiring Connection" should be replaced by "nickel-plated", which is caused by an error in translation, can find supports from the priority-claimed prior foreign application (Taiwanese Patent Application No. 92109155);
- 2) That the above-mentioned modifications of the specification are only focused on the correctness of the contents of the specification of the above-mentioned US Patent Application, should not cause any unnecessary doubt and should not cause any disadvantage to anybody.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application of any patent issued thereon.

Signed at Taipei, Taiwan on this 12th day of September, 2005.

Dwo Chen
